

Shadow Accord Rituals List for Players

(Note: This list is made available to all players only for OOG purposes. You may not take full knowledge of every ritual in this list as IG knowledge. You may only take into game knowledge of rituals you meet the required Lore for. This list is expected to change in the future. Players will NOT be able to refund/return any of these rituals should they be crafted or obtained in-game unless the Rules team decides to make the ritual in question no longer castable by PCs.)

Potency and Knowledge

Rarity (Common, Uncommon, and Rare) will no longer exist as a way to rank Rituals. Instead they will be rated on two scales: Potency, and Knowledge.

Potency

Potency is used as a guideline for how powerful a ritual should be. Potency maps 1:1 with the level of Ritual skill needed. This is meant as a way for someone to see the ritual and get an idea of the mechanical value of the Ritual.

If a ritual is Legendary, its power is difficult to determine. It is functionally unable to be cast by PCs. NPCs who meet all other casting requirements (including having Rituals 3) need the (Legendary) Ritual Master power to cast it.

Options: Simple, Complex, Expert, Legendary

Our intent is to make NPC-Only rituals uncopyable so that ST can always control how many are in-game.

- Simple (1): Easy to perform (brand-new PCs); casting produces simple effects
- Complex (2): Moderately difficult to perform; casting produces powerful one-time effects or simple longer-lasting effects
- Expert (3): Quite difficult to perform; casting can produce powerful long-term or permanent effects
- Legendary (NPC Only): Impossible for PCs to perform; used to create plots

Knowledge

Knowledge is meant to represent a sociological aspect for people to know how the group(s) that control access to a ritual would respond if they found out someone has learned of or acquired one of their tools. Characters might get pestered or targeted by people of *other subfactions*, whether or not they're part of a subfaction that also controls the ritual. (This is in relation to

rituals that are protected by multiple subfactions; Vampire seems most likely to have these, but Shifter may as well).

Public

Well known. This may have been a secret at one point, but it no longer is, or it is now an open secret. Not specific to any subfaction; accessible to all in the faction.

Qualities

- Well-known
- You should not be targeted by ST for having this
- **Faction Lore** lets you know the mechanics IG

Guarded

Well known but access is often controlled. Ritual is considered dangerous, important, or a hallmark of an organization. Subfactions would be disappointed if it were to get in the hands of non-subfaction.

Qualities

- Must be assigned to one or more subfactions
- Well-known but access is controlled (dangerous, powerful, important)
- Members of the subfaction(s) who control this ritual will view you with suspicion if you are not of the same subfaction
- If you have this, you may be pestered by NPCs of other subfactions who control this ritual if they find out
- **Faction Lore** lets you know it exists and take its summary IG
- **Subfaction Lore** lets you know the mechanics IG

Secret

Knowledge of said ritual is kept close to the chest of subfaction members. One should not be caught spreading information about said ritual. Those who do learn of it are expected to say nothing about it. The subfaction may take drastic and extreme action against those who spread it. If it got into the hands of a non-subfaction member, the holder should expect to be targeted.

Qualities

- Must be assigned to one or more subfactions
- Not well-known outside of subfaction (intentionally kept a secret)
- Members of the subfaction(s) who control this ritual will view you as a transgressor if you are not of the same subfaction
- If you have this, you may be targeted by NPCs of other subfactions who control this ritual if they find out

- **Subfaction Lore** lets you know it exists and take its summary IG
- **Being a member of the subfaction** lets you know the mechanics IG

Cryptic

Super secret even among subfactions. Owning a copy is seen as being "in the know". If a non-faction or subfaction member is caught with the ritual, expect them to disappear. Violently. If a PC gets these they would be intended to be a big reward for a story, a prop element, or a big prize to hide. Impossible to create without ST interaction.

Qualities

- Not well-known even within a subfaction
- If you have this, expect to be targeted
- **Only hearing about the ritual** in-game lets you know it exists
- **Only seeing the ritual** in-game lets you know the mechanics IG

Rarity: Common

Summary: This ritual cleanses the target(s) of taint.

Cost: 1 willpower

Components: branch

Instructions:

1. Spend 60 seconds drawing the glyphs from this scroll on the ground around the target(s) and brushing the target(s) gently with a stick or branch.
2. Incant: "Gaia, cleanse this taint from your children."
3. Pay the casting cost.

Effect: Up to five target(s) are cleansed of taint. This ritual has no effect on permanently tainted characters.

Flames of Inner Purity

Type: Simple Public - Glyph Rite

Casting Requirements: Rituals 1; Child of Gaia¹ or Philodox 2

Rarity: Common

Summary: A peacemaker guides one to battle with themselves to overcome a debilitating condition.

Cost: 1 Energy from the caster, 1 Aggravated damage to the target

Instructions:

1. Sit on the ground, preferably outdoors
2. Incant: "With Gaia's strength, purge your afflictions."
3. Draw your sigil on the ground between you and pay the casting cost

4. Spend a minimum of 60 seconds of roleplay with the caster leading the target in meditation. The ritual fails if the target's meditation is interrupted.
5. Target takes 1 Aggravated damage

Effect: The target is cured of all Conditions.

Honor the Scar

Type: Simple Public - Glyph Rite

Casting Requirements: Ahroun 1 and Rituals 2

Rarity: Common

Summary: Restores some willpower for a shifter who has suffered a grievous wound.

Cost: 1 Energy

Components: Ash or Dirt, at least 3 other participants, a wounded Shifter target.

Instructions:

1. Spend 60 seconds honoring the wound and the fight that caused it in front of at least 3 other participants.
2. Draw the glyphs from this scroll onto the target's wound with dirt or ash.
3. Incant: "Honor the sacrifice."
4. Pay the casting cost.

Effects: If Rage was spent to heal the wound being honored, either restore 1 Rage to the target or 1 Willpower. If Rage was not spent to heal the wound being honored, they gain 1 Willpower.

This reward is not to exceed either the Rage or Willpower pool.

The target's Willpower Scar makeup for this wound becomes a permanent makeup requirement. A single individual may only benefit from the Honor the Scar rite once per weekend.

Name the Spirit

Type: Simple Public - Glyph Rite

Casting Requirements: Rituals 1 and Lupus 2

Rarity: Common

Summary: Gives information about a spirit, and its name.

Cost: 1 Energy

Components: Target that the caster can perceive.

Instructions:

1. Stand within 10 feet of the target.
2. Trace the glyphs from the IG portion of this scroll into the air between you and the target.
3. Examine the target for at least 10 seconds (moving does not break this, but if the distance between you is more than 10 feet, the ritual ends and you must start over).
4. Say OOG: "Sense Spirit". You do not need the Sense Spirit power to do so.
5. After the target responds, if they are a spirit, you may continue. Pay the casting cost and ask the target IG: "Spirit, what is your name?"

Effect: The target must respond with their name, per character sheet. If they do not have a name, the specific type of spirit they are is acceptable.

Quiet the Inner Beast

Type: Simple Public - Glyph Rite

Casting Requirements: Rituals 1 and Homid 1

Rarity: Common

Summary: This ritual stops a frenzied creature.

Cost: 2 Energy

Components: target frenzied character

Instructions:

1. Stand within 10 feet of the frenzied target.

3. Incant: "Luna, spare me from the rage of your children."
4. Pay the casting cost.
5. Say "Disquiet"

Effect: You activate the Disquiet power on the target. Being attacked does not interrupt this ritual, but you must meet all the requirements for using Disquiet as normal.

Rite of Aberrants Tell

Type: Simple Public - Glyph Rite

Casting Requirements: Rituals 1, Theurge 1, and Silver Fang 1, or Black Fury 1, or Bagheera 1

Rarity: Common

Summary: Compare the spiritual identity of a Claimed to that of a Common Human to reveal the nature of the spirit's influence

Cost: 1 Willpower

Components: A natural object collected from around the base of an uncorrupted Gaian node; an untainted Commoner that has never been Claimed.

Instructions:

1. Place the natural object so that both the Commoner and the Target are touching it.
2. Clearly chant once "In reflection of the Weaver's design, reveal aberrations to Gaia's divine."
3. Spend the casting Cost.

Effect: Confirm with the Commoner OOG that they fit all requirements; if not the ritual fails. Explain to the target that if they have Pale Aura they answer "no" to the following questions. The target reveals whether they are Claimed, and if so, if they are a Drone, Fomori, or Gorgon. Subjects with a dormant Claimed subfaction also specify that the spirit is not currently present.

Additional Notes: This ritual cannot directly nor indirectly reveal factions or subfactions beyond Claimed. The caster does not know whether or not the ritual was successful unless they receive a "yes" answer.

Rite of Attunement

Type: Simple Public - Glyph Rite

Casting Requirements: Rituals 2

Rarity: Common

Instructions:

1. Spend 60 seconds drawing the glyphs from this scroll on the ground around a target shifter with the chosen weapon and chanting.
2. Incant: "Attune this warrior to their weapon"
3. Pay the casting cost.

Effect: The weapon becomes an attuned item with a magical item rating of 1. The target is immediately attuned to the item, and their maximum Energy is decreased by one as per attunement. If the target's attunement to the weapon is ever broken, the weapon will no longer be a magical item.

Instructions:

1. Spend 60 seconds drawing the glyphs from this scroll in the ground.
2. Both the caster and target hold a cup together.
3. Incant: "We share this burden."
4. Pay the casting cost.

Effect: If the target is Ananasi or has no gnosis pool, then the ritual fails. Otherwise, the caster may offer their gnosis by stating "I offer, of myself, (some number of) gnosis." The target may respond by taking gnosis, not to exceed the amount offered, and stating "I take of you, (amount taken) gnosis". The offerer loses the amount taken and the taker gains that much. You may not take gnosis in excess of your maximum pool, and you may not offer more gnosis than you have available to give.

2. Draw the center two glyphs from this scroll on the target's cheek in blue pencil.
3. Wrap the leather cord around the targets wrists.
4. Incant: "Hide your true nature from prying eyes."
5. Pay the casting cost.

Effect: If the target is unwilling, the ritual fails. The target gains the Pale Aura merit, all her gifts become dormant (including shifting forms and gaining claws) and she may not spend gnosis for any reason. This effect lasts until the next sunset or until the target is reduced to 0 health, whichever happens first.

2. Caster incants "We thank Gaia and her spirits for providing us sustenance". Say OOG: "Rite of the Shared Table, everyone who eats regains 2 gnosis."

Effect: All participants put two fingers to their temples and may open their eyes. They may all speak together as if in a group Telepathy. (This conversation may be overheard as usual by anyone with Telepathy.) The effect ends if anyone is disturbed (by a loud noise, being touched firmly, or being attacked) or if anyone drops their fingers from their temples.

5. Use the Meld power, paying the cost and being affected as normal.

Effect: As you leave game, bring a 3x5 card to ST camp with your name, your character's name, and the amount of Energy spent along with any item tags being offered to the Queen. Also write the name of the Gift you wish to learn. ST will decide if Queen Ananasa will teach you the gift. This functions as any other learning, and, if taught, may be purchased for XP at next check in. The normal restriction of one gift and one skill being learned per game still applies. Any items offered to the Queen cannot be recovered, and any spent blood is not restored if the Mother-Queen refuses to share a gift.

Special Note: The Queen appraises each item individually, but will not consider wholly mundane items as a true offering. The more powerful an item, the more she will value it. She will typically teach gifts of Breed, Auspice or Hatar for contributions of 1, 4, or 7 blood, depending on the rank of the gift. When teaching gifts known by Garou Tribes and common Fera, Queen Ananasa generally requires 4, 7 or 10 blood plus some sort of supernatural item. Gifts known only to rare Fera will require additional offerings.

All participants begin game with their current Energy pool reduced by the amount contributed to the ritual.

Instructions:

1. Spend 60 seconds drawing the glyphs on this scroll and giving praises to the spirit you are calling.
2. Incant: "<spirit name or type> I call for your aid."

4. Turn in a 3x5 card to ST camp with the following information: caster and participating character names, amount of Energy spent in casting the ritual, spirit name or type (known IG), and purpose of summoning spirit.

Effect: ST may send out the spirit you requested, a proxy for that spirit, or nothing at all. In general, every 5 points of gnosis will increase the category of spirit summoned by one step.
